

IN THE ABSTRACT

Please add the Abstract of the Disclosure as set forth on the separate accompanying sheet. That Abstract of the Disclosure is essentially the same, in content, as the Abstract which is a part of the published PCT application. No new matter is being presented by the addition of this Abstract of the Disclosure.

ABSTRACT OF THE DISCLOSURE

A printing machine has at least one printing tower that is formed having two stacked satellite printing units. At least one further printing unit is situated on a plane that is above the printing location of the upper satellite printing unit of the at least one printing tower. The printing machine is operable in a mode of operation to produce a printed product.
